Part A: Pupil premium strategy plan

Statement of intent

At Rufforth Primary we use the Pupil Premium Grant funding to ensure that our disadvantaged pupils receive the highest quality of education to enable them to become active, well-rounded and socially responsible citizens of the future. We recognise that disadvantaged children can face a wide range of barriers which may impact on their learning.

Our ultimate objectives are:

- Remove barriers to learning created by poverty, family circumstance and background
- Narrow the attainment gaps between disadvantaged pupils and their non-disadvantaged peers both within school and nationally
- Ensure all pupils are able to read fluently and demonstrate good comprehension to enable them to access the breadth of the curriculum
- Ensure all pupils can form letters correctly, joining where appropriate.
- Access a wide range of opportunities to develop their knowledge and understanding of the world

In order to achieve our objectives and overcome identified barriers to learning we will:

- Provide all teachers with high quality CPD to ensure that pupils access effective quality first teaching
- Provide targeted intervention and support to quickly address identified gaps in learning including the use of small group or 1:1 booster or intervention work.
- Target funding to ensure that all pupils have access to visits, residential trips, first hand learning experiences
- Provide opportunities for all pupils to participate in enrichment activities including sport and music

This is not an exhaustive list and strategies will change and develop based on the needs of individuals.

Key principles

We will ensure that effective teaching and learning meets the needs of all pupils through assessment and pupil progress meetings. Class teachers will identify and plan specific intervention and support for individual pupils which will be reviewed at least termly. Alongside academic support, we will ensure that those pupils who have social, emotional and mental health needs will access high quality provision from appropriately trained adults.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Access to wider opportunities.
2	Communication and interaction needs.
3	Social, emotional and mental health needs.
4	Cost of living crisis contributing to further financial difficulties for some families

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Progress in Reading	All PPG pupils to be at EXS or above by the end of KS2
Progress in Writing	All PPG pupils to be at EXS or above by the end of KS2
Progress in Maths	All PPG pupils to be at EXS or above by the end of KS2
Phonics attainment	Achieve above the national average expected standard in the phonics screening check.
All pupils have access to enrichment opportunities to enhance their personal development	All PPG children attend at least one enrichment club and all school visits.

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

The Pupil Premium Strategy for 21-22 ensured that all children accessed funding to support needs, which developed learning and participation in school.

Monitoring demonstrated that outcomes were positive.

Pupil voice has demonstrated that children are confident learners; they can speak about learning with enjoyment and have a good understanding of previous learning and how this applies skills throughout the curriculum.

Language and talk has been a key priority since lockdown. We want it to ensure that children become resilient learners who have opinions and balanced views.

Outcomes for all children are above national expectations.
