Excellence in a Family Atmosphere 12.05.23

A message from Miss Richards...

Last week, we said a huge 'good luck' to our Y6 children and this week and it's an even bigger 'WELL DONE!'. Each and every one of them showed determination, resilience, effort and hard work in all of their SATs tests and we could not be more proud.

We have previously celebrated the achievements of our Friendship Ambassadors. They finally received their Online Safety badges in the post and are already planning their whole school assembly on 'Respect' and workshops in classes - their first two tasks towards their new badge.

Thank you to the staff and parent volunteers who took our Class 1 and 2 children on their trip to Skelton Grange this week—what an amazing experience they had. Your very first school trip is always special, but for our reception children, this was certainly a day to remember.

Check out our Twitter page for photos and for updates from across our curriculum from all classes,

Wishing you a wonderful weekend!

Miss Richards

Keeping safe on devices

Please use the link below for information on keeping children safe on mobile phones. This can be a minefield for parents as often children become very tech-savvy very quickly!

Keeping safe online is a core element of both our Computing and PSHCE curriculum, and children in Years 5 and 6 understandably have greater input on safe mobile phone usage.

Childnet

The Childnet website has a wealth of free resources, guides, toolkit, advice and more. These resources have been created by educational experts for young people of all ages, young people with Special Educational Needs and Disabilities (SEND), parents and carers, educators or anyone working with children and young people.

If your child has their own mobile phone, we encourage you to take just 5 minutes to look at the safety information available:

Childnet—Parent and Carers Guide

Be prepared….

As the ever changing British weather continues to switch between Autumn and Spring, please ensure your child comes to school prepared for rain and shine!

We have had lots of children in school without coats this week. As the weather hopefully begins to warm up, please remember sun cream and hats. As always, please send a water bottle into school every day.

Class Sharing Assemblies

Class 1—Friday 19th May

Assemblies will begin at 2:50pm.

All families are welcome at every Celebration Assembly

Please look out for messages on your class PTA WhatsApp group for details of forthcoming proposed events.

Jayne and the team are working hard to arrange fundraising events for summer term but are struggling to secure volunteers to help.

If you are able to attend a proposed movie night or help in any way, please share your availability on the WhatsApp group or contact Jayne.

Keeping our children safe

If you have any concerns regarding the safety or welfare of a child at school please contact Miss Richards or Mr Woolford-Mullen, our Safeguarding Leads.
